

Public Library

Library Services

- Internet access is usually provided free of charge. Time to access the Internet may be reserved in advance by calling the library.
- Software programs typically include Microsoft software programs; for example, Word 97, Excel 97, and Publisher 97.
- Access to books including artistic, educational, literary, musical or reference materials (such as books, manuscripts, recordings, or films). You can find books on just about any topic.
- Resources for children include picture books, videos, audiotapes, magazines and puzzles.
- Printer and fax capability is usually available for free or a charge.
- Other services, such as children and adult reading programs, personal, educational and business development seminars, art exhibits; etc.

Check with your local library to see what extras they have to offer.

Librarians

Reference Librarians are available to assist you with researching questions on a wide range of topics and can direct you to the proper resources.

Library Cards

Library cards are usually available at no charge to anyone who lives within the township of the Library. Proper identification as a local resident must be presented.

These cards allow you to borrow materials for a specified amount of time. Charges may be incurred if materials are not returned on time.

Locations

To find a library near you, search for the keyword 'library' at www.yellowpages.com.

www.sunsite.berkeley.edu/libweb can be used to locate libraries worldwide.
